4. Representations and Warranties. The Debtor hereby makes the following representations and warranties, which shall be deemed to be repeated and confirmed upon the creation or acquisition by the Debtor of each item of Collateral and upon the creation of any Obligation:

(a) The Debtor is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, has full power and authority to own its properties and to carry on its business as now being conducted, is duly qualified to do business and is in good standing in each jurisdiction in which the character of its properties, the transaction of its business, the location of its Inventory or Equipment, the performance of its obligations under its Contracts, or the collection of any of its Receivables make such qualification necessary and where the failure to be so qualified would have a material adverse effect, and has full power and authority to execute, deliver and perform this Agreement.

(b) Its execution, delivery and performance of this Agreement and the granting of the security interest in the Collateral hereunder (i) have all been duly authorized by all requisite action of the Debtor, (ii) do not require the approval of its stockholders and (iii) will not (1) violate any provision of law, or its articles of incorporation or by-laws, (2) violate, be in conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any indenture, agreement or other instrument to which it is a party or by which it or any of its properties is bound, (3) violate any governmental or agency rule or regulation or any order of any court, tribunal or governmental agency or (4) result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the Collateral, except for the security interest created by this Agreement and except for any Contract that expressly prohibits the Debtor from granting any lien thereon or security interest therein. No authorizations, approvals and consents of, and no filing and registration with, any governmental or regulatory authority or agency are necessary for the execution, delivery or performance by the Debtor of this Agreement or for the validity or enforceability hereof. Except for any Contract that expressly prohibits the Debtor from granting any lien thereon or security interest therein, no consent of any party to any Contract or any account debtor in respect of any Receivable is required in connection with the execution, delivery and performance of this Agreement or the creation of a security interest in such Contract or Receivable pursuant hereto.

(c) This Agreement constitutes the legal, valid and binding obligation of the Debtor, enforceable against the Debtor in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting enforceability of creditors rights generally and except as specific performance may be subject to equitable principles of general applicability. Except for Permitted Liens, this Agreement creates in favor of the Agent for the ratable benefit of the Creditors a valid first

priority lien and first priority security interest in the Collateral, enforceable against the Debtor and all third parties and superior in right to all other security interests, liens, encumbrances, or charges, existing or future.

(d) Except for the security interest of the Agent therein, the Debtor is, and as to Collateral acquired from time to time after the date hereof the Debtor will be, the owner of all the Collateral, having good and marketable title thereto, free from any lien, security interest, encumbrance or other right, title or interest of any Person, other than Permitted Liens.

(e) No filing of any financing statements or other instruments and no recording, filing or indexing of this Agreement is necessary or appropriate in order to preserve and protect the liens and security interests created or intended to be created by this Agreement as legal, valid and enforceable perfected liens on and security interests in the Collateral (other than the filing of a Uniform Commercial Code Financing Statement with the Utah Department of Commerce, the filing of fixture filings, and filings or appropriate assignments with the United States Patent and Trademark Office or the United States Copyright Office with respect to Intellectual Property of the Debtor).

(f) There is no financing statement (or similar statement or instrument of registration under the law of any jurisdiction) now on file or registered in any public office (other than in respect of Permitted Liens) covering any interest of the Debtor in the Collateral, or intended so to be, and so long as the Credit Agreement is in effect or any of the Obligations remain unpaid the Debtor will not execute, and will not permit the filing or the continued existence on file of any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) relating to the Collateral in any public office, except financing statements filed or to be filed with respect to the security interest granted hereunder to the Agent for the ratable benefit of the Creditors or with respect to Permitted Liens.

(g) The originals of all documents evidencing or relating to the Receivables, Contracts, Leases, Intellectual Property, Investment Property and other Financial Assets and the only original books of account and records of the Debtor relating thereto are kept at the office or offices specified in Schedule I. All Inventory and Equipment are held on the date hereof at the locations specified in Schedule II.

(h) The name of the Debtor set forth in the preamble hereto is correct. Debtor is not currently doing, and has not at any time during the five years immediately preceding the date hereof done, business under any trade name or other assumed name. During the five years immediately preceding the date hereof the Debtor has not had any name other than its present name. No Debtor has merged or consolidated with any other entity during the five years immediately preceding the date hereof.

(i) None of the Collateral constitutes farm products (as such term is defined in Section 70A-9a-102(34) of the Uniform Commercial Code) or the Proceeds thereof.

(j) None of the account debtors on any Receivables, and none of the parties to any Contracts, is a governmental entity.

(k) To the Debtor's knowledge, the information, schedules, exhibits and reports furnished by the Debtor or the Debtor to the Agent in connection with the negotiation and preparation of this Agreement did not contain any omissions or misstatements of fact which would make the statements contained therein misleading or incomplete in any material respect.

5. Covenants. (a) At all reasonable times upon reasonable notice the Agent shall have full access to, and the right to audit, check, inspect and make abstracts and copies of, the Debtor's books, records, audits, correspondence and all other papers and computer tapes and programs relating to the Collateral. The Agent shall have the right to confirm and verify the Receivables and other Collateral and to do whatever the Agent may deem necessary to protect the Creditors' interests and the Debtor shall furnish such assistance and information as the Agent may require in connection therewith. The Agent may enter from time to time the premises of the Debtor at any reasonable time during business hours for the purpose of inspecting the Collateral and any and all records pertaining thereto.

(b) The Debtor will keep the Collateral, at its own expense, in customary good repair and condition, and will not misuse, abuse or waste the Collateral or allow the Collateral to deteriorate (or permit any of the foregoing), except for normal wear and tear, and will make the Collateral available for inspection by the Agent at all reasonable times upon reasonable notice during business hours.

(c) The Debtors will comply in all material respects with all acts, rules, regulations, orders, decrees and directions of any governmental authority applicable to the Collateral or any part thereof or to the operation of its business; provided, however, that the Debtor may contest any act, regulation, order, decree or direction in any reasonable manner which shall not in the reasonable opinion of the Agent adversely affect the Creditors' rights or the first priority of the Creditors' security interest in the Collateral.

(d) The Debtor will pay promptly when due all taxes, assessments and governmental charges or levies imposed upon the Collateral or in respect of its income or profits therefrom, as well as all claims of any kind (including claims for labor, materials and supplies), except that no such charge need be paid if (i) the validity thereof is being contested by the Debtor in good faith by appropriate proceedings, (ii) such proceedings do not involve, in the reasonable opinion of the Agent, any danger of the sale, forfeiture or loss of any of the Collateral or any interest therein and (iii) such charge is adequately reserved against in accordance with generally accepted accounting principles.

(e) The Debtors will not create, permit or suffer to exist and will defend the Collateral against, and take such other action as is necessary to remove, any lien, security interest or encumbrance on the Collateral, other than Permitted Liens, and the Debtor will defend the right, title and interest of the Creditors in and to any of the Debtor's rights to the Collateral against the claims and demands of all Persons whomsoever claiming an interest therein adverse to the Creditors, other than holders of Permitted Liens.

(f) The Debtor will advise the Agent promptly, in reasonable detail, of (i) any security interest, lien or encumbrance placed on or asserted against any of the Collateral, (ii) any

material change in the composition of the Collateral and (iii) the occurrence of any other event which would have a material effect on the aggregate value of the Collateral or on the security interest created by the Debtor hereunder.

(g) Debtor will not change the location specified in Section 4(g) where records concerning its Receivables, Contracts, Leases, Intellectual Property, Investment Property or other Financial Assets are kept, will not keep Inventory or Equipment at any location other than the location specified in Schedule II, and will not change its name, identity or corporate structure or jurisdiction of incorporation, until, in each case, (i) the Debtor shall have given to the Agent not less than 30 days' prior written notice of its intention so to do, clearly describing such new location, name, identity, jurisdiction of incorporation or corporate structure and providing such other information in connection therewith as the Agent may reasonably request, and (ii) the Debtor shall have taken such other actions satisfactory to the Agent (including, without limitation, the delivery of additional financing statements), as are necessary to maintain the security interest of the Agent and the Creditors in the Collateral at all times senior and fully perfected and in full force and effect.

(h) The Debtor will maintain each Vehicle, if any, in good operating condition, ordinary wear and tear excepted, and will provide all maintenance, service and repairs necessary for such purpose. No Vehicle shall be removed from the state which has issued the certificate of title or ownership therefor for a period in excess of four months. With respect to each Vehicle, if any, now owned by the Debtor, within 15 days of the date hereof, and, with respect to, any Vehicles acquired by the Debtor subsequent to the date hereof, within 15 days after the date of acquisition thereof, all applications for certificates of title or ownership indicating the Creditors' first priority security interest on the Vehicle covered by such certificate, and any other necessary documentation, shall be filed in each jurisdiction which the Agent shall deem advisable to perfect its security interests in the Vehicles.

(i) The Debtor will furnish to the Agent within ten (10) days after any request therefor by the Agent, statements (prepared by the Debtor or, if the Agent so requires, by independent public accountants satisfactory to the Agent in form, substance and detail satisfactory to the Agent) of all Receivables of the Debtor (showing reconciliations, aging and test verifications thereof and trial balances therefor), itemized by the account debtor, and of the location (and aggregate book value at each such location) of all Inventory of the Debtor, each such statement to be certified by its chief financial officer, and, promptly from time to time, such other information as the Agent may reasonably request regarding the Collateral and its operations, business, affairs and financial condition.

(j) No Debtor will sell, transfer, lease or otherwise dispose of any of the Collateral, or attempt, offer or contract to do so, except as permitted by Section 6.14 of the Credit Agreement.

(k) The Debtor will, at its own expense, make, execute, endorse, acknowledge, file and/or deliver to the Agent from time to time such lists, descriptions, schedules, invoices, warehouse receipts, bills of confirmatory assignments, conveyances,

financing statements, transfer endorsements, powers of attorney, certificates, reports and other assurance or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted by it, as the Agent in its reasonable judgment deems appropriate or advisable to perfect, preserve or protect its security interest in the Collateral.

6. Special Provisions Concerning Receivables. (a) As of the time when any Receivable arises, the Debtor shall be deemed to have warranted as to such Receivable that such Receivable and all papers and documents relating thereto are genuine and in all respects what they purport to be, and that each such Receivable (i) will represent the genuine, legal, valid and binding obligation of the account debtor thereon for the unpaid amount owed by such account debtor for the sale and delivery by the Debtor of the goods, or the performance by the Debtor of the services, listed therein, (ii) will be the only original writings evidencing and embodying such obligation of the account debtor named therein, (iii) will evidence true and undisputed obligations, enforceable in accordance with their respective terms and not subject to any defenses, set-offs or counterclaims known to the Debtor, or stamp or other taxes, except as shall be disclosed to the Agent, and (iv) will be, to the best knowledge of the Debtor, in compliance and will conform with all applicable federal, state and local laws and applicable laws of any relevant foreign jurisdiction. The Debtor shall use its best efforts to take all steps necessary to preserve the liability of each account debtor, guarantor, endorser, obligor secondary party on or with respect to the Receivables.

(b) The Debtor will keep and maintain, at its own expense, satisfactory and complete records of the Receivables, including, but not limited to, records of all payments received, all credits granted thereon, all merchandise returned and all other dealings therewith, and the Debtor will make the same available to the Agent, at the Debtor's expense, at any and all reasonable times upon demand of the Agent. At the request of the Agent, the Debtor shall legend, in form and manner satisfactory to the Agent, its Receivables and its books, records and documents evidencing or pertaining to its Receivables with an appropriate reference to the fact that such Receivables have been assigned to the Agent for the ratable benefit of the Creditors and that the Agent has a security interest therein for the ratable benefit of the Creditors.

(c) The Debtors will not rescind or cancel any indebtedness evidenced by any of the Receivables or, modify any term thereof or make any adjustment with respect thereto, or extend or renew the same, or compromise or settle any dispute, claim, suit or legal proceeding relating thereto, or sell any of such Receivables or interest therein, without the prior written consent of the Agent, except as permitted by Section 6(e).

(d) The Debtor will duly fulfill all obligations on its part to be fulfilled under or in connection with the Receivables and will do nothing to impair the rights of the Agent and the Creditors in the Receivables.

(e) The Debtor will endeavor to collect or cause to be collected from the account debtor on each of its Receivables (including, without limitation, Receivables which are delinquent, such Receivables to be collected in accordance with generally accepted lawful

collection procedures), as and when due, any and all amounts owing under or on account of such Receivables, except that prior to the occurrence of an Event of Default the Debtor may allow in the ordinary course of business as adjustments to amounts owing under its Receivables (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which the Debtor finds necessary in accordance with sound business and credit judgment and (ii) a refund or credit due as a result of returned or damaged inventory or improper or faulty performance of services. The costs and expenses (including attorney's fees) of collection, whether incurred by the Debtor, the Agent or any other Creditor, shall be borne by the Debtor.

(f) The Debtor shall, promptly upon learning thereof, report to the Agent all delays in performance, notices of default, claims made or disputes asserted by any account debtor or other obligor on any Receivable and any other matters materially affecting the value, enforceability or collectibility of any Receivable.

(g) The Agent is authorized and empowered in its sole discretion to accept the return of goods, if any, represented by any Receivable or contract rights, without notice to or consent by the Debtor, all without discharging or in any way affecting the Debtor's liability hereunder or on the Obligations.

(h) After the occurrence and during the continuance of an Event of Default, the Agent shall have the right, without notice to (unless specifically provided for herein), or assent by, the Debtor, and without affecting the Obligations, in the name of the Debtor or in the name of the Agent or otherwise: (i) to notify any or all account debtors under any or all of the Receivables to make payment thereof directly to the Agent for the account of the Debtor or the Creditors and to require the Debtor to forthwith give similar notice to the account debtors; (ii) to demand, collect, sue for, receive, compound and give acceptance for any of the Receivables or any part thereof, (iii) to extend the time of payment of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any of the Receivables; (iv) to endorse the name of the Debtor on any checks, drafts or other orders or instruments for the payment of moneys payable to the Debtor which shall be issued in respect of any Receivable; (v) to file any claims and commence, maintain or discontinue any actions, suits or other proceedings deemed by the Agent to be necessary or advisable for the purpose of collecting or enforcing payment of any Receivable; (vi) to execute any instrument and do any and all other things necessary and proper to protect and preserve and realize upon the Receivables and the other rights contemplated hereby; (vii) to require the Debtor to forthwith account for and transmit to the Agent in the same form as received all proceeds (other than physical property) of collection of Receivables received by the Debtor and, until so transmitted, to hold the same in trust for the Agent for the account of the Creditors and not commingle such proceeds with any other funds of the Debtor; (viii) to require the Debtor to deliver, at the Debtor's expense, any or all papers, documents, correspondence, records and computer programs and tapes and other electronic data processing software evidencing or relating to the Receivables to the Agent at a place designated by the Agent (and after delivery thereof the Debtor shall have no further claim to or interest in such Receivables); (ix) to notify the Post Office authorities to change the address for delivery of mail addressed to the Debtor to such address as the Agent may designate; and (x) to do all other acts

and things necessary to carry out this Agreement. The Agent shall not be obligated to do any of the acts hereinabove authorized, but in the event that the Agent elects to do any such act, the Agent shall not be responsible to the Debtor except for its gross negligence or willful misconduct.

(i) If any Receivable becomes evidenced by a promissory note or similar instrument in the sum of more than \$25,000, the Debtor will promptly notify the Agent thereof, and upon request by the Agent will promptly deliver such instrument to the Agent appropriately endorsed to the order of the Agent as further security for the payment in full of the Obligations.

7. Special Provisions Concerning Inventory and Equipment. (a) The Debtor will at all times keep all of the Inventory and Equipment insured at its expense, to the Agent's satisfaction, against fire, theft, and all other risks to which the Inventory and Equipment may be subject; all policies or certificates with respect to such insurance shall be endorsed to the Agent's satisfaction for the benefit of the Creditors, including, without limitation, by naming the Agent as loss payee or additional insured, and evidence of such insurance satisfactory to the Agent shall be deposited with Agent. If the Debtor shall fail to insure the Inventory and Equipment to the Agent's satisfaction, or if the Debtor shall fail so to endorse and deposit all policies or certificates with respect thereto in accordance herewith, the Agent shall have the right (but shall be under no obligation) to procure such insurance and the Debtor agrees to reimburse the Agent for all costs and expenses of procuring such insurance that it failed to procure. The Agent may apply any proceeds of such insurance with respect to the Inventory and Equipment, when received by it, toward the payment of any of the Obligations, whether or not the same shall then be due. The Debtor shall give immediate written notice to the insurers and to the Agent of any loss or damage to the Collateral or any part thereof and shall promptly file all necessary or appropriate proofs of loss with the insurers. The Debtor hereby appoints the Agent the attorney-in-fact for the Debtor in obtaining, adjusting and canceling any such insurance and endorsing settlement drafts.

(b) The Agent shall have the right, upon the occurrence and during the continuance of an Event of Default, without notice to (unless specifically provided for herein), or assent by, the Debtor but without affecting the Obligations, in the name of the Debtor or in the name of the Agent or otherwise: (i) upon notice to such effect, to require the Debtor to deliver, at the Debtor's expense, any or all of the Inventory and Equipment to the Agent at a place designated by the Agent (and after delivery thereof the Debtor shall have no further claim to or interest in such Inventory and Equipment); (ii) to take possession of any or all of the Inventory and Equipment and, for that purpose, to enter, with the aid and assistance of any Person, any premises where such Inventory and Equipment, or any part thereof, is, or may be, placed or assembled, to remove any such Inventory or Equipment, and to dispose of or store such Inventory or Equipment in such premises at the expense of the Debtor; and (iii) to execute or endorse any instrument (including, without limitation, any invoice, bill of lading, and storage or warehouse receipt) and do all the things necessary and proper to protect and preserve and realize upon the Inventory and Equipment and the other rights contemplated hereby. The Agent shall not be obligated to do any of the acts hereinabove authorized, but in the event that the

Agent elects to do any such act, the Agent shall not be responsible to the Debtor except for the Agent's own gross negligence or willful misconduct.

(c) Upon taking possession of any Inventory or Equipment pursuant hereto following the occurrence of an Event of Default, the Agent shall have the right to hold, store and/or use, manage, control and sell such Inventory or Equipment. Upon any such taking of possession of any Inventory or Equipment, the Agent may, from time to time at the expense of the Debtor, make all such repairs, replacements, alterations, additions and improvements to and of such Inventory or Equipment as the Agent may deem proper. In any such case, the Agent shall have the right to manage and control such Inventory or Equipment and to carry on the business and exercise all rights and powers of the Debtor respecting its Inventory and Equipment, all as the Agent shall deem best; and the Agent shall be entitled to collect and receive all issues, profits, fees, revenues and other income of the same and every part thereof. Such issues, profits, fees, revenues and other income shall be applied to pay the expenses incurred by the Agent or its Agents in (i) holding such Inventory or Equipment; (H) performing all repairs, replacements, alterations, additions and improvements which the Agent may be required or may elect to make, if any; and (iii) paying all taxes, assessments, insurance, warehouse fees and other charges upon such Inventory or Equipment or any part thereof, and all other payments, which the Agent may be required or authorized or elect to make (including legal costs and attorneys' fees). Any remaining rents, issues, profits, fees, revenues and other income shall be applied to the payment of the Obligations in accordance with Section 12.

8. Special Provisions Concerning Intellectual Property. (a) Except to the extent that the Agent, upon prior written notice from the Debtor, shall consent in writing, the Debtor (either itself or through licensees) will, consistent with sound business judgment, continue to use its Trademarks, if any, on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain its Trademarks in full force free from any claim of abandonment for nonuse and the Debtor will not (and will not permit any licensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(b) The Debtor shall take all necessary steps, consistent with sound business judgment, in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to maintain each application and registration of the Trademarks, Copyrights and Patents, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings (except to the extent that dedication, abandonment or invalidation is permitted under paragraph 2(c) hereof).

(c) The Debtor assumes all responsibility and liability arising from the use of the Trademarks, Copyrights or Patents, and hereby agrees to indemnify and hold the Agent and the other Creditors harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of any alleged defect in any product manufactured, promoted or sold by the Debtor (or any affiliate or subsidiary thereof) in connection with, or which bears or includes, any Trademark, Copyright or Patent or out of the

manufacture, promotion, labeling, sale or advertisement of any such product by the Debtor (or any affiliate or subsidiary thereof). The Debtor agrees that the Agent and the other Creditors do not assume, and shall have no responsibility for, the payment of any sums due or to become due under any agreement or contract included in the Collateral or the performance of any obligations to be performed under or with respect to any such agreement or contract by the Debtor, and the Debtor hereby agrees to indemnify and hold the Agent and the other Creditors harmless with respect to any and all claims by any person relating thereto.

(d) The Debtor agrees that if it, or any affiliate or subsidiary thereof, learns of any use by any person of any term or design likely to cause confusion with any Trademark, it shall promptly notify the Agent of such use and, if requested by the Agent, shall join with the Agent, at the Debtor's expense, in such action as the Agent, in its reasonable discretion, may deem advisable for the protection of the Agent's interests in and to the Trademarks.

(e) All licenses of its Trademarks, Copyrights or Patents which the Debtor has granted to third parties are set forth in Schedule III hereto.

(f) The Trademarks, Copyrights and Patents are subsisting, have not been adjudged invalid or unenforceable in whole or in part, and are not currently being challenged in any way.

(g) None of the Trademarks, Copyrights or Patents have lapsed or expired or have been abandoned or canceled, whether due to any failure to pay any maintenance or other fees or make any filing or otherwise.

(h) Each of the Trademarks, Copyrights and Patents is valid and enforceable and the Debtor are not aware of any impairments to the Trademarks, Copyrights or Patents which would have a material effect on the validity and/or enforceability thereof.

(i) No claim has been made that the use of any of the Trademarks, Copyrights or Patents constitutes an infringement.

(j) The Debtor will continue to use, consistent with past practice, proper statutory notice in connection with its use of the Trademarks.

(k) The Debtor will use standards of quality in its manufacture of products sold under the Trademarks consistent with those currently employed by it.

(l) The Debtor shall not adopt or use any mark which is confusingly similar or a colorable imitation of any Trademark unless it shall have granted to the Agent a perfected security interest in such mark pursuant to this Security Agreement.

(m) The Debtor will not (either itself or through licensees) do any act, or omit to do any act, whereby any Copyright may become injected into the public domain. The Debtor shall notify the Agent immediately if it knows, or has reason to know, that any Copyright may become injected into the public domain or of any adverse determination or development

(including, without limitation, the institution of, or any such determination or development in, any court or tribunal in the United States or any other country) regarding the Debtor's ownership of any such Copyright or its validity.

(n) The Debtor shall promptly notify the Agent of any infringement of any Trademark, Copyright or Patent of which it becomes aware and shall take, consistent with sound business judgment, such actions as the Agent may reasonably require to protect such Trademark, Copyright or Patent including, where appropriate, the bringing of suit for infringement, seeking injunctive relief and seeking to recover any and all damages, for such infringement.

9. Financing Statements; Documentary Stamp Taxes. (a) The Debtor authorizes Agent to file financing statements covering the Collateral. The Debtor will pay any applicable filing fees and related expenses.

(b) The Debtor agrees to procure, pay for, affix to any and all documents and cancel any documentary tax stamps or similar taxes required by, and in accordance with, applicable law, and the Debtor will indemnify the Agent and the other Creditors and hold the Agent and the other Creditors harmless against any liability (including interest and penalties) in respect of such taxes.

(c) Upon request of Agent, the Debtor shall provide control agreements for all Deposit Accounts at financial institutions other than Agent, shall obtain the issuer's consent with respect to any Letter-of-Credit Right, and shall provide, if deemed reasonably necessary, control agreements with respect to Investment Property.

10. Additional Provisions Concerning Remedies and Sale of Collateral. (a) In addition to any rights and remedies contained herein or now or hereafter granted under applicable law and not by way of limitation of any such rights and remedies, upon the occurrence and during the continuance of an Event of Default, the Agent shall have all of the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any applicable jurisdiction in addition to the rights and remedies provided herein. The Agent may take legal proceedings for the appointment of a receiver or receivers (to which the Agent shall be entitled as a matter of right) to take possession of the Collateral pending the sale thereof pursuant either to the powers of sale granted by this Agreement or to a judgment, order or decree made in any judicial proceeding for the foreclosure or involving the enforcement of this Agreement.

(b) Upon the occurrence and during the continuance of any Event of Default the Agent shall have the right to seize and take possession of any Collateral (or any paper, documents, correspondence, computer tapes and programs and other electronic data processing software relating to the Collateral), and may enter the premises where such Collateral (or such paper, documents, correspondence, tapes, programs or software) are located for the purpose of effecting such seizure. The Agent shall not be liable to the Debtor for any damage suffered by the Debtors by reason thereof and the Debtor shall indemnify the Agent and the other Creditors for any liability which may accrue to any Person by reason of such entry or seizure. At any time or from time to time after the occurrence and during the continuance of an Event of Default the Agent may hire and maintain on any of the premises of the Debtor a custodian or independent

contractor selected by the Agent who shall have full authority to do all lawful acts necessary to protect the Agent's and the other Creditors' interests and to report to the Agent thereon. The Debtor hereby agrees to cooperate with any such Person and to do whatever the Agent may reasonably request to preserve the Collateral. All expenses incurred by the Agent or any other Creditor by reason of the employment of any such Person shall be payable by the Debtor and shall be secured hereby and shall be a part of the Obligations.

(c) Upon the occurrence and during the continuance of an Event of Default the Agent may, without obligation to resort to other security, at any time and from time to time, sell, re-sell, assign and deliver all or any of the Collateral, in one or more parcels at the same or different times, and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and at such price or prices and on such terms as the Agent may determine, with the amounts realized from any such sale to be applied in the manner provided in Section 12. The Debtor hereby agrees that all of the foregoing may be effected without demand, advertisement or notice (except as required by law or as expressly provided herein), all of which (to the extent permitted by law) are hereby expressly waived. Upon any sale of any of the Collateral, whether made under the power of sale hereby given or under judgment, order or decree in any judicial proceeding for the foreclosure involving the enforcement of this Agreement, (i) the Agent may bid for the property being sold, and upon compliance with the terms of sale may hold, retain and possess and dispose of such property in its own absolute right without further accountability, and may, in paying the purchase money therefor, discharge a portion of the Obligations owing to the Agent in an amount equal to such purchase price; (ii) the Agent may make and deliver to the purchaser or purchasers a good and sufficient deed, bill of sale and instrument of assignment and transfer of the property sold; (iii) the Agent may make all necessary deeds, bills of sale and instruments of assignment and transfer of the property thus sold; but if so requested by the Agent or such purchaser, the Debtor shall ratify and confirm any such sale or transfer by executing and delivering to the Agent or such purchaser all property, deeds, bills of sale, instruments of assignment and transfer and releases as may be designated in any such request; (iv) all right, title, interest, claim and demand whatsoever, either in law or in equity or otherwise, of the Debtor of, in and to the property so sold shall be divested and such sale shall be a perpetual bar both at law and in equity against the Debtor, its successors and assigns, and against any and all Persons claiming or who may claim the property sold or any part thereof from, through or under the Debtor, its successors or assigns; and (v) the receipt of the Agent or of the officer thereof making such sale shall be a sufficient discharge to the purchaser or purchasers at such sale for his or their purchase money, and such purchaser or purchasers, and his, its or their assigns or personal representatives, shall not, after paying such purchase money and receiving such receipt of the Agent or of such officers thereof, be obligated to see to the application of such purchase money or be in any way answerable or responsible for any loss, misapplication or non-application thereof.

(d) To the extent that it may lawfully do so, the Debtor agrees that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any appraisement, valuation, stay, extension or redemption laws, or any law permitting it to direct the order in which the Collateral or any part thereof shall be sold, now or

at any time hereafter in force, which may delay, prevent or otherwise affect the performance or enforcement of this Agreement or the Obligations, and the Debtor hereby expressly waives all benefit or advantage of any such laws and covenants that it will not hinder, delay or impede the execution of any power granted or delegated to the Agent in this Agreement, but will suffer and permit the execution of every such power as though no such laws were in force. In the event of any sale of Collateral pursuant to this Agreement by the Agent, the Agent shall, at least 10 days before such sale, give the Debtor written notice (which notice may be given by telecopier) of its intention to sell, except that, if the Agent shall determine in its sole discretion that, any of the Collateral is perishable or threatens to decline speedily in value, any such sale may be made upon one day's written notice (which notice may be given by telecopier) to the Debtor.

(e) The Debtor agrees that upon the occurrence of any Event of Default and at any time during the continuance thereof, any of the monies, deposit balances and other property of the Debtor held by, or coming into the possession of, the Agent or any other Creditor may be applied (including, without limitation, by way of set-off) by the Agent or such Creditor to a reduction of the Obligations.

(f) For the purpose of enabling the Agent to exercise rights and remedies hereunder, the Debtor hereby grants to the Agent access upon the occurrence and during the continuance of an Event of Default (after taking into account any applicable grace or cure period) to all media in which any Collateral consisting of Intellectual Property may be recorded or stored and to all computer equipment and software programs used for the compilation or printout thereof to the extent that the Debtor may lawfully do so, and hereby authorizes any and all custodians thereof to release such media to the Agent or in accordance with the Agent's instructions upon receipt of a letter executed by the Agent stating that an Event of Default has occurred and is continuing.

(g) For the purpose of enabling the Agent to exercise its rights and remedies under this Agreement at such time as the Agent, without regard to this Section 10(g), shall be lawfully entitled to exercise such rights and remedies and for no other purpose, the Debtor hereby grants to the Agent for the ratable benefit of the Creditor's, effective upon the occurrence of an Event of Default and notice by the Agent that it desires to exercise such rights and remedies, an irrevocable, exclusive license, exercisable without payment of royalty or other compensation to any of the Debtor, to use, assign, license or sublicense any of the Collateral consisting of Intellectual Property, including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof.

11. Agent Appointed Attorney-in-Fact. (a) The Debtor hereby appoints the Agent as the Debtor's attorney-in-fact, with full power of substitution, for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, the Agent shall have the right and power, in its own name or as attorney-in-fact for the Debtor, (i) to take any of the actions specified in Section 6(h) or 7(b) and (ii) generally, to do, at the Agent's

option and at the Debtor's expense, at any time, or from time to time, all acts and things that the Agent deems necessary to protect, preserve and realize upon the Collateral and the Agent's security interest therein for the ratable benefit of the Lenders; and the Debtor hereby ratifies all that the Agent, acting as attorney-in-fact for the Debtor, shall lawfully do or cause to be done by virtue hereof.

(b) Concurrently with the execution and delivery hereof, the Debtor will execute and deliver to the Agent a Special Power of Attorney substantially in the form of Exhibit I hereto for the implementation of the assignment, sale or other disposition of the Collateral or any portion thereof pursuant to Sections 10(c), 10(d), and 10(g) hereof and for the other purposes specified in such Power of Attorney, and the Debtor hereby releases the Agent from any claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the Agent under the power of attorney granted herein or therein, other than actions taken or omitted to be taken through the gross negligence or willful misconduct of the Agent.

12. Application of Moneys; Reassignment of Collateral. Except as otherwise provided herein, all moneys which the Agent shall receive pursuant to this Agreement or with respect to the Collateral shall be applied in the following manner: First, to the payment of all costs and expenses incurred in connection with the administration and enforcement of, or the preservation of any rights under, this Agreement and the realization on such collateral (including, without limitation, the fees and disbursement of the Agent's counsel and Agents); and Second, to the payment of all other Obligations in such order and manner as the Agent shall determine. The balance, if any, of such moneys shall be paid over to the Debtor or as otherwise required by law or as directed by a court of competent jurisdiction. Upon the payment in full of the Obligations and the termination of this Agreement, all Collateral not sold or otherwise disposed of pursuant hereto shall, at the request of the Debtor and at the sole expense of the Debtor, be reassigned by the Agent to the Debtor (or as otherwise directed by a court of competent jurisdiction), without recourse and without any representations, warranties or agreements of any kind. The Debtor shall remain jointly and severally liable to the Agent for any deficiency remaining on the Obligations after the aforesaid application of such monies to the Obligations.

13. Exercise of Rights. The Agent shall have the right in its sole discretion to determine which rights, security, liens, guarantees, security interests or remedies it shall retain, pursue, release, subordinate, modify or take any other action with respect to, without in any way modifying or affecting any of the other of them or any of the Agent's or the other Creditors' rights hereunder. The Agent shall consult with the Lenders prior to exercising its rights hereunder to sell or otherwise dispose of the Collateral or any material portion thereof, but failure on its part to so consult with the Lenders shall not affect any such sale or disposition or any of its other rights or remedies hereunder.

14. Waivers. Amendments. Required Notices. The Debtor hereby waives notice of acceptance of this Agreement, notice of nonpayment of any Obligations or of any Receivables or of any instrument relating thereto, demand, presentment, protest and notice thereof with respect

to any and all instruments, notice of Collateral received or delivered, or any other action taken in reliance hereon and all other demands and notices of any description, except such as are expressly provided for herein or which by applicable law may not be waived on the date hereof. No course of dealing between the Agent or any other Creditor and the Debtor or any other Person, and no failure on the part of the Agent to exercise, and no delay in exercising, any right, power or remedy hereunder, shall operate as a waiver thereof or as a waiver of any Event of Default, nor shall any single or partial exercise by the Agent of any right, power or remedy hereunder or with respect to the Obligations preclude any other or further exercise thereof or the exercise of any other right, power or remedy. No amendment or modification of this Agreement nor any waiver of any provision of this Agreement or consent to any departure by the Debtor therefrom shall in any event be effective unless the same shall be in writing and signed by the Agent, and then any such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Debtor in any case shall, of itself, entitle the Debtor to any other or further notice or demand in similar or other circumstances. If notice, whether before or after any Event of Default has occurred, is required by law to be given by the Agent to the Debtor, the Debtor agrees that, unless otherwise specifically provided herein, ten (10) days' notice given in the manner provided below shall be reasonable notice.

15. Cumulative Rights and Remedies. This Agreement and the liens and security interests granted hereunder are in addition to and not in substitution for any other security interest or collateral now or hereafter held by or on behalf of the Agent or any other Creditor to secure the Obligations and shall not operate as a merger of any contract debt or suspend the fulfillment of or affect the rights, remedies or powers of the Agent or any other Creditor in respect of the Obligations or any other security interests held by the Agent or any other Creditor for the fulfillment thereof. The remedies herein provided are cumulative and not exclusive of any remedy provided by law.

16. Notices. All notices, requests, demands, instructions, directions and other communications provided for hereunder shall be in writing (which term shall include telecopied communications) and shall be mailed (by registered or certified mail, postage prepaid), telecopied or delivered to the applicable party at the address specified opposite its signature line below or, as to any party, to such other address as such party shall specify by a notice in writing to the other party hereto. Each notice, request, demand, instruction, direction or other communication provided for hereunder shall be deemed delivered (i) if by mail, three (3) Business Days after being deposited in the mails, addressed to the applicable party at its address set forth above, (ii) if by hand, when delivered to the applicable party at such address, and (iii) if by telecopy, when sent to the applicable party at such address.

17. Costs and Expenses. The Debtors agree jointly and severally to pay, on demand, whether or not any Event of Default shall have occurred and regardless of whether or not any proceeding to enforce this Agreement or the Obligations shall have been commenced, all of the reasonable costs and expenses (including, without limitation, all reasonable fees and disbursements of legal counsel) incurred by the Agent in connection with (i) the preparation of this Agreement and any related financing statements and other instruments and documents, (ii)

the enforcement of this Agreement and the security interests granted hereunder; (iii) any filings or recordings with respect to the security interests granted hereunder (including all filing and recording fees, stamp taxes, recording taxes and intangible property taxes), (iv) the receipt of proceeds of the Receivables hereunder, (v) the care and preservation of the Collateral, (vi) the sale or other disposition of, or other realization upon, the Collateral, or (vii) the preparation of any requested amendments to this Agreement or waivers or consents in connection herewith. Any such costs and expenses so incurred by the Agent shall be secured hereby and be a part of the Obligations.

(b) If any lien or tax shall be claimed with respect to the Collateral which, in the opinion of the Agent, may possibly create a valid obligation having priority over the security interest granted to it herein, the Agent may in its sole discretion and without notice to the Debtor pay such taxes and/or the amount secured by such lien and, the amount of such payment shall be charged to the Debtor's account and added to the Obligations secured hereby: provided, however, that the Agent shall not make such payment with respect to any lien or tax being contested in good faith by the Debtor by appropriate proceedings if (i) such proceedings shall suspend the enforcement of such lien or collection of such tax, (ii) no part of the Debtor rights in and under the Collateral shall be subject to sale, forfeiture or diminution, and (iii) the Debtor shall have furnished such security that is not part of the Collateral as may be required in such proceedings or reasonably requested by the Agent.

(c) Upon any failure by the Debtor to perform any of its duties and obligations hereunder, the Agent may, but shall not be obligated to, perform any or all of such duties, and the Debtor shall pay to the Agent, forthwith upon written demand therefor, an amount equal to the cash or out-of-pocket expense incurred by the Agent in so doing plus interest thereon, from the date such expense is incurred until it is paid in full at a rate per annum equal to the highest rate of interest payable by the Debtor from time to time on the Obligations.

18. Successors and Assigns. This Agreement shall be binding upon the Debtor and its successors and assigns and shall inure to the benefit of the Agent, the other Creditors and their respective successors, transferees and assigns. No Debtor may assign its rights or obligations hereunder or any portion thereof without the prior written consent of the Agent. The Agent may assign its rights and powers under this Agreement with all or any of the Obligations and, in the event of such assignment, the assignee of such rights and powers, to the extent of such assignment, shall have the same rights and remedies hereunder, and shall be secured hereby to the same extent, as if originally named herein as a Creditor.

19. Severability. If any part of this Agreement is contrary to, prohibited by or deemed invalid under the applicable laws or regulations of any jurisdiction, such provision shall, as to such jurisdiction, be inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder hereof shall not be invalidated thereby and shall be given full force and effect so far as possible, and any such prohibition or invalidity in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

20. No Assumption of Duties: Limitation on Liabilities: Preservation of Collateral.

(a) Nothing herein contained shall be construed to constitute the Agent as the Debtor's Agent for any purpose whatsoever except for the limited purposes of receiving proceeds of the Collateral as provided above. The Agent does not, by anything contained herein or in any assignment or otherwise, assume the Debtor's obligations under any Receivable or other Collateral or any contract or agreement relating thereto, and the Agent shall not be responsible in any way for the Debtor's performance of any of the terms and conditions thereof.

(b) Neither the Agent nor any other Creditor nor any of its directors, officers, employees or Agents shall be liable to any Person for any action taken or omitted by the Agent nor any other Creditor or its officers, directors, employees or Agents hereunder or with respect to any transaction contemplated by this Agreement, except for the Agent's, such other Creditors' or such officers, directors', employees' or Agents' gross negligence or willful misconduct. Without limiting the generality of the foregoing, neither the Agent nor such other Creditor shall be responsible or liable for any shortage, discrepancy, damage, loss or destruction of any part of the Collateral wherever the same may be located and regardless of the cause thereof unless due to the Agent's or such other Creditor's gross negligence or willful misconduct. Neither the Agent nor such other Creditor shall, under any circumstances or in any event whatsoever, have any liability for any error or omission or delay of any kind occurring in the settlement, collection or payment of any of the Receivables or any instrument received in payment thereof or for any damage resulting therefrom.

(c) The Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 70A-9a-207 of the Uniform Commercial Code or otherwise, shall be to deal with it in the same manner as the Agent deals with similar property for its own account. Neither the Agent nor such other Creditors nor any of their respective directors, officers, employees or Agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Debtor or otherwise.

21. Indemnification.
